P.C.C.P. – 11: FORMAL COMPLAINANT REPORT STATEMENT	INCIDENT NUMBER PCCP

The following is a statement of:

Name: [redacted] **DoB: 01/16/85** **Age:** **Sex:** **Race:**

Address: 2344 Prospect B2 **City:** [redacted] **State:** **Zip:** **Telephone: 216-313-8711**

Taken by: Lt. Schreiner 905

On 4/7/24 between 1:50 and 2:01 pm the bus I was on skid against a Cleveland police car. I called it in to Transit Police and several cars responded including the day shift Lieutenant. The Lieutenant scolded him and told him there was no accident even though there clearly was. The other officers on scene couldn't find any damage to the police car or the bus so they didn't believe there was an accident either. The Lieutenant scolded me and threatened to file charges on me for filing a false police report the next time I report something.

I, ----------, swear the above statement is truthful and accurate to the best of my recollection. I further understand that knowingly filing a false statement against a peace officer engaged in the performance of their duties is against the law per Ohio Revised Code 2921.15 (Making False Allegation of Peace Officer Conduct) and is a misdemeanor of the 1st degree.
